From the West

My Brothers,

We have reached the end of another year. I have enjoyed sitting in Lodge and sharing fellowship with you and look forward to the next several years. We have a strong, young and dedicated line of officers who are excited about what is to come.

Just as a reminder, our 2020 Officers installation will be held on Jan 11th, 2020, at WINTER PARK LODGE (Due to the construction occurring around our building). We will have a light breakfast at 8:00am and the ceremony will begin at 9:00am. Remember, this is an open installation. Come out and support your Brothers who are dedicated to serving you.

S.:W.: Marshall Dees

Important Reminder

Please note that the lodge has voted to go dark on Tuesday, Dec. 24.

From the East

My Brothers,

As the year comes to the close and my time in the East nears its conclusion, I want to send my thanks to all the Brothers that have kept the lodge moving forward and kept me in check. There are so many to thank, that I can not mention everyone's name here. Our officers have done fantastic work in keeping our lodge organized and

From the South

Hello brothers,

I must say that it has been a great year for Orlando 69. I feel that we've accomplished so much. I've personally gained a new respect for brotherhood and am excited to what the new year brings.

Have a great holiday brothers.

functioning. We have tried several new concepts and kept some old traditions. I'm sure our new line of officers will have even better ideas and efforts.

I also want to thank those that helped me pull off our charity events be it working the games with me or visiting our schools, supporting Trunk or Treat, or visiting Great Oaks Village for the 4th straight year.

I hope the Brothers of Orlando 69 will continue to show the amazing support that was provided to me to the 2020 Officers so that we can succeed for another hundred plus years. Finally, I wish you all a happy and safe holiday season. My the Grand Architect smile down upon you and your family and protect those that are fighting to protect our freedoms.

Your humble servant,

W.:M.: Jeff Battaglia
