From the West

Has half the year already gone by? It feels like just yesterday we were being installed as your elected officers. I want to take a moment to give a huge thank you to the brothers who came out to Louise Lively's home and helped with the much needed work. She was very grateful for your hard work and dedication to a brother's family.

With that being said, if anyone has any community involvement ideas or volunteering ideas, please share them with the craft. I feel we have made great strides this year in getting our name out there. Our social media presence has also grown and is very strong. Please be sure to share our pages on Facebook and Instagram with your friends and those who may be interested in our great fraternity.

Again, my brothers, I cant thank you enough for your hard work and dedication. Please keep up the amazing work and let's show the world what the light of Masonry truly looks like.

My Brothers,

My Brothers, I hope you are doing well at the midpoint of the year, and I really hope that you all had a safe and happy holiday celebrating our Great Nation. We have quite a few things going on in the coming months and we definitely need your support. First, we are going to push ahead with M.W. John Westerman's initiative for the year of Each One Reach One. For this program, we want you to talk to one man (non-mason) that you trust above all others, seek advice from, and would be a worthy person to have in our lodge and invite them to a meeting. My goal is to have this meeting on Sept 24, our second

From the South

When you're up against a trouble, Meet it squarely, face to face;

Lift your chin and set your shoulders, Plant your feet and take a brace.

When it's vain to try to dodge it, Do the best that you can do;

You may fail, but you may conquer, See it through!

Black may be the clouds about you, And your future may seem grim,

But don't let your nerve desert you; Keep yourself in fighting trim.

If the worst is bound to happen, Spite of all that you can do,

Running from it will not save you, See it through!

Even hope may seem but futile, When with troubles you're beset,

But remember you are facing Just what other men have met.

You may fail, but fall still fighting; Don't give up, whate'er you do;

Eyes front, head high to the finish. See it through!

stated of September.

We have the Cave Degree coming up next month were we will once again travel to Tennessee with a group from the 16th District. If you have not been to one, you are missing out. This year our district is conferring an EA degree on Friday night. In September, we will hopefully once again be adopting two teachers from The Lake Como School. In October we will have our Past Masters/ Widows dinner as well as the Trunk or Treat. We should once again have Shades the Solar Bears mascot there and maybe even a few other special attractions. Finally in November, its time for our third annual Island Degree. This is an awesome event complete with a new Luau on Friday night open to all families.
