## From the West

My Brothers,

This year is flying by and shows no signs of slowing down! We have had a very successful year and we want to continue that momentum.

This month on August 17th, we are having a happy hour party at Howl At The Moon, located on International Dr. This is open for you to bring friends and significant others. Please contact me for more details.

Also, do my forget our annual Trunk or Treat this October. We want a bigger and better show this year and trust me, its a lot of fun!

We are also planning our Past Masters and Widows night Saturday, Oct 5th. Please help us in showing appreciation for those who have done so much for our Lodge.

## From the South

Good day my brothers,

I hope everyone is enjoying the way this year is panning out so far. I know I am. I am witnessing a lot more

## From the East

My Brothers,

I hope you are doing well during these hot summer months. We have been keeping ourselves very busy at the lodge and we would love to have you come by and check out how the lodge is moving forward. This month we have two special meetings. On August 13, we welcome RW DDGM Jerry Clark for his official visit. The committeemen will be there two, especially since 2 of the

teamwork as well as improvements to the lodge itself. And I encourage us all to keep up the good work.

I'd also like to encourage all of the brothers who are interested in moving through the chairs to take advantage of the much available classes that are offered to us all. I've had the opportunity of taking my first M.E.L.T. class just last week and I took away so much information "from time management to leadership skills".

One of the interesting topics that was mentioned several times was that a lodge is not successful with just the chair members alone. It takes effort from everyone to make a lodge successful. Many may not be interested in moving through the chairs and that's ok. The lodge is so much more than that. With that said "just be you" because there is a place for all of us in masonry. Share a talent or a service, place and event on your calendar even if you feel that you won't make it. Things just work themselves out sometimes.

In closing I'd like to say that I am very happy to be a part of Orlando #69. And I truly believe that we have a lot of potential to be an even greater and thriving lodge. And one thing that I've always noticed while traveling is once the name Orlando #69) has been mentioned in the building the atmosphere just changes in a good way. Almost like they've been waiting for us to get the show on the road. that's how I know that I am a part of a very special lodge.

committeemen are members of our lodge: Treasurer W. Rickey Ricks is leading the charge for Let Your Pennies Make Good Sense, and I'm carrying the torch for the MH 100 program.

For our second meeting in August, we will be welcoming Dr. James Clark who is a history professor at UCF. He is going to come and give as a presentation on the history of Orlando. This along with what R.W. Curtis Johnson has already presented to us will present us with a great knowledge of the local heritage. Of course in between those two meetings, some of us will be traveling to Tennessee to witness a District 16 EA degree and a South Carolina MM degree.

What else do we have on our plate? Well, we have once again voted to adopt two teachers from the Lake Como School. This school is thrilled with our continuing support and we look forward to the school year and meeting our new teachers. We have also decided to adopt a little league team. Since we do not support a youth group in our lodge right now, this was an idea I discovered was recommended by the Grand Lodge. We look forward to having Orlando Lodge No. 69 as the sponsor listed on the baseball jerseys and a banner in the outfield that comes with our sponsorship. I plan on trying to get the brotherhood to do a group trip to one of the games to support OUR team.

Your humble servant,

W.:M.: Jeff Battaglia
