From the West

My Brothers,

We are nearing the halfway mark of this year and things have been great! The 190th Grand Lodge communication was very productive and a great time of fellowship.

We as your elected officers want your input! As I have said before, if there is anything you would like to see or change, bring it to our attention. We are a fraternity of ideas and we want to hear yours.

Also, make sure you are reaching out to your brothers who may have been recently absent from the Lodge. Sometimes, all it takes is that one phone call or text to get them back through our doors.

Yours,

S.:W.: Marshall Dees

From the East

My Brothers,

We are coming to a very busy time of year for us. First of all, it's already extremely hot out there. Be sure to stay safe and drink plenty of water. Secondly, we have the Grand Master's Official Visit, St. Johns Day, and the DDGM Official Visit all coming soon. We need to be ready to support our lodge and our district.

On Saturday, June 8, we will be going (or have gone) to assist with home improvements at Louise Lively's house. We all know and love Louise, and she does so much for our lodge it's the least we can do to return that love. We will have more to report on that in the near future.

Brothers, we have a very serious budget discussion coming in the near future. I urge you all to attend our stated meetings to keep updated and have your voice heard. We also need to discuss the upkeep and maintenance of our building. We cannot maintain an

Brothers,

Life is short, and if we enjoy every moment of every day, then we will be happy no matter what happens or what changes along the way. Enjoy the journey and try to get better every day. And don't lose the passion and the love for what you do. Every day I feel is a blessing from God.

"The best preparation for tomorrow is doing your best today."

"Your hand can seize today, but not tomorrow; and thoughts of your tomorrow are nothing but desire. Don't waste this breath, if your heart isn't crazy, since 'the rest of your life' won't last forever."

effective lodge without your support my Brothers.

Now for some fun things to look forward to. The school year has ended and we awarded a Student of the Year to a young lady that was stunned beyond belief that she won. Along with Brother Louis Dobles and Brother Stanley Weeks, we witnessed her happiness first hand and, to say the least, it was awesome. The Lake Como School is ecstatic about working with us again next year, so I'm hoping that we can continue that fine work. Along the lines of supporting our youth, and since we don't have a youth group in our lodge, what do you all think about sponsoring a little league team (boys and/or girls)? It might be a good way to get our message out.

We also have Trunk or Treat to consider again on October 31. Immediately following that we have the Island Degree Luau on November 1 (families invited) and then the Island Degree itself on November 2.

Busy times... and we need your help brothers.

Your humble servant,

W.:M.: Jeff Battaglia
